UNDERWATER ADVENTURES

Recommended for ages 5 to 10. This 90-minute adventure is only 3 miles from the hotel. Come nose to nose with 4,500 sharks and other sea creatures. Ride and walk through the amazing glass tunnel 14 feet under the water's surface to see sharks, stingrays, sea turtles, and colorful reef fish. Go behind the scenes to see how they care for the world's largest shark collection. Stop to touch a live shark and stingray.

This animal adventure continues with Fur, Feathers, Scales, and Slime in the Youth Room at the hotel. Meet real, live animals with these body coverings and get your body moving as we try to run like a rabbit, slither like a snake, soar like an eagle, or eat like a frog. Pizza lunch. Parents/guardians pick up their child in the Youth Room by 12:30.

MINNESOTA ZOO

Ages 9 and up only. No exceptions. This is a unique experience with animals in their natural habitat. Your tour guide will discuss animal management, vet care, animal behavior, habitats, and zoo careers. Visit with a zookeeper and go behind the scenes in the staff work area and animals homes. Dress for comfort and the weather. Tours are outdoors and involve a lot of walking. Questions are welcome and encouraged! Pizza lunch. Choose from one of two tours.
